JOIN MSWD FOR A MONTHLY TALK ABOUT ALL THINGS WATER!

Discover crucial water topics shaping the future of our valley and state! Join us for an insightful exploration into issues affecting water resources and learn about sustainability, conservation, and innovative solutions crucial to the well-being of our community. Our first session will cover the Salon Sea. Other topics this year will include fleet electrification, the future of the Colorado River, drought and climate resilience, infrastructure needs, special districts, and more.

All meetings are being held at the DHS Library, located at 14380 Palm Drive in Desert Hot Springs. Space is limited; please register to ensure your seat.
