

Proposed Amendments to Industrial Discharge Ordinance

News Release Date
01-08-2024

To better serve our current industrial wastewater users and expand services to those currently without, MSWD is working to amend Article VI of our wastewater discharge ordinance. The proposed modifications will be discussed during a public hearing at our March Board of Directors Meeting on March 18, 2024. To keep all stakeholders informed and engaged, we are providing a redline version of the proposed changes to Article IV (attached below). This document highlights the modifications made, allowing customers to identify the areas affected easily.

Should you have any questions or require clarification on any aspect of the proposed changes, please do not hesitate to contact our Engineering Department at [engineering \[at\] mswd.org](mailto:engineering@mswd.org) () or at 760-329-6448 ext. 123.

Your feedback is greatly appreciated.
