

## CLASSIFICATION SPECIFICATION

---

### ADMINISTRATIVE ASSISTANT

#### DEFINITION:

Under general supervision, performs highly responsible administrative duties for a department head or Assistant General Manager in support of a major function including Administration, Conservation and Public Affairs, Engineering, or Field Operations; maintains official District records related to assigned function; coordinates assigned activities with outside agencies; performs difficult and complex office support work; and performs other duties as assigned.

#### DISTINGUISHING CHARACTERISTICS:

This is the advanced journey level class in which incumbents perform highly responsible administrative duties for a department head or the Assistant General Manager in support of a major function. Incumbents assigned to this class work with substantial independence and assume responsibility for the most complex duties associated with administrative support and record keeping based on extensive knowledge of District operations, policies, procedures and practices. Incumbents are well versed in creating, maintaining and extracting data from specialized database and spreadsheet programs, as well as other programs unique to the District and department served.

#### SUPERVISION RECEIVED/EXERCISED:

Receives general supervision from the Assistant General Manager, Programs and Public Affairs Manager, Engineering Associate, or Operations Manager, as assigned.

#### ESSENTIAL FUNCTIONS: *(include but are not limited to the following)*

*Class specifications are only intended to present a description summary of the range of duties and responsibilities associated with specified positions. Therefore, specifications **may not** include all duties performed by individuals within a classification. In addition, specifications are intended to outline the minimum qualifications necessary for entry into the class and do not necessarily convey the qualifications of the incumbents within the class.*
