

Job Opportunity

COLLECTIONS SYSTEM OPERATOR I/II

Mission Springs Water District is currently accepting applications for a Collections System Operator I or a Collections System Operator II to work in the Operations Department. This position reports directly to the Chief Plant Operator.

Under close supervision (Collections System Operator I) or general supervision (Collections System Operator II), performs a variety skilled technical duties and skilled labor in the maintenance of a collections system that feeds the District’s wastewater facilities.

DISTINGUISHING CHARACTERISTICS:

Collections System Operator I:

This is the entry level class for the performance of skilled collections system operations and maintenance work. Incumbents learn to perform the full range of duties under close supervision within established guidelines. Upon attainment of required higher level certifications, and demonstration of journey level knowledge, skills, and abilities, employees in this class may be considered for promotion to Collections System Operator II.

Collections System Operator II:

This is the journey level class for the performance of skilled Collections system operations and maintenance work. Incumbents perform the full range of duties under general supervision within established guidelines and demonstrate greater knowledge and skill than Collections System Operator I’s in performing all aspects of work.

Salary Range:

Collections System Operator I				Collections System Operator II			
Annual	\$47,784.94	TO	\$61,168.76	Annual	\$52,745.63	TO	\$67,518.86
Monthly	\$3,982.08		\$5,097.40	Monthly	\$4,395.47		\$5,626.57
Hourly	\$22.97		\$29.41	Hourly	\$25.36		\$32.46

This is a full-time, hourly, non-exempt position.

We offer top-notch benefits (medical, dental, vision, employee assistance program, paid leave, CalPERS retirement benefits...and more), a team atmosphere, and professional development opportunities.
