

Career Opportunity

Lead Field Operations Technician

Mission Springs Water District is currently accepting applications for a Lead Field Operations Technician to work in our Field Operations Department.

Under general direction, leads crews and performs skilled work in the activities of the Field Operations Department including construction, maintenance, customer service, fleet and building maintenance, and meters; performs work on water production, distribution, and storage facilities; assists in training assigned staff; performs other duties as assigned.

This is an advanced, lead level class. Incumbents perform and lead others in the full range of duties with minimal supervision, and may also perform the most complex aspects of work. Lead positions assist in training staff and determining work methods and procedures in the field. Incumbents may be assigned to assume the duties of the Field Operations Supervisor in his/her absence.
