

BUILDING FOR THE FUTURE

Administrative Building

MSWD has outgrown its current administrative offices and have significant facility needs at the MSWD Corporate Yard. The original contract was based on the design of a Critical Services Center/Administration Building at either a potential property purchase location or the current Corporate Yard. After much consideration and discussion by the Board, the Critical Services Center/Administration Building is to be built on MSWD property off of Two Bunch Palms Trail.

Current Status **DESIGN**

Design: Fall 2022

Construction: Spring 2023-Spring 2024

Budget

MSWD has allocated funds for this project under the 2022-23 capital improvements budget.

Project Benefits

Mission Springs Water District strives to provide the best quality water and wastewater service to its customers. Over the past several decades, Mission Springs Water District has grown and seeks to construct a new Administrative Building to allow the District to grow and continue to provide service to its customers.

More Information

To learn more about this and other MSWD groundwater protection, system reliability, and conservation projects, please contact our Public Affairs Office at 760.329-6448 ext. 145.
