

WASTEWATER TREATMENT PLANT OPERATOR-IN-TRAINING

DEFINITION:

Under close supervision, operates and maintains the district's wastewater treatment plants; regulates flows within the system; performs sample collection; checks operations and monitors equipment for proper functioning of facilities; performs other duties as assigned.

DISTINGUISHING CHARACTERISTICS:

This is the entry level class for the performance of wastewater treatment plant operations work. Incumbents learn to perform the full range of wastewater treatment plant operations under close supervision and within established guidelines. Upon attainment of required higher level certifications, and the demonstration of a sufficient level knowledge, skills, and abilities, employees in this class may be considered for promotion to Wastewater Treatment Plant Operator I.

SUPERVISION RECEIVED/EXERCISED:

Receives general supervision from the Chief Plant Operator. Receives close supervision from Grade I and Grade II operators.

ESSENTIAL FUNCTIONS: *(include but are not limited to the following)*

*Class specifications are only intended to present a description summary of the range of duties and responsibilities associated with specified positions. Therefore, specifications **may not** include all duties performed by individuals within a classification. In addition, specifications are intended to outline the minimum qualifications necessary for entry into the class and do not necessarily convey the qualifications of the incumbents within the class.*

- Learns to perform routine plant operational and maintenance duties, such as wasting sludge loads; adjusting valves; collecting information from dials, meters, gauges; inspects and checks for worn or broken v-belts, motors, automatic controls, skimmers and rotors; and lubes equipment.
- Cleans and maintains process units.
- Learns to perform routine sample collections and laboratory tests.
- Learns to maintain a variety of records and logs.
- Performs landscape and building maintenance, as assigned.
- Establishes positive working relationships with District staff, and the general public.
- Assumes responsibility for ensuring the duties of the position are performed in a safe, efficient manner.
- Performs other related duties as assigned.

PHYSICAL, MENTAL AND ENVIRONMENTAL WORKING CONDITIONS:

The essential functions of this position may require the employee to perform the following physical activities. Some of these requirements may be accommodated for otherwise qualified individuals requiring and requesting such accommodations.

- Must be able to carry, push, pull, reach, and lift equipment and parts weighing up to 50 pounds; stoop, kneel, crouch, crawl, and climb during plant maintenance and repair work.
- Work in an environment with exposure to dust, dirt, hazardous materials, exposure to raw domestic sewage, chemicals, confined space entries, trenches, and significant temperature changes between cold and heat; stand and walk for extended time periods.
- Stand, walk and sit for extended time periods; able to carry, push, pull, reach and lift objects of light to medium weight; hearing and vision within normal ranges.
