

Career Opportunity

Field Operations Technician II

Mission Springs Water District is currently accepting applications for a Field Operations Technician II.

DEFINITION: Under general supervision, performs journey level skilled and semi-skilled work in construction and maintenance, fleet and building maintenance, and meters; performs work on water production, distribution, and storage facilities; performs other duties as assigned.

QUALIFICATIONS: Any combination of education and/or experience which would likely provide the necessary knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be graduation from high school or equivalent preferably supplemented by specialized training in water construction and maintenance, or water technology; and two (2) years of increasingly responsible experience in water production and distribution, water facility maintenance, construction and maintenance, water service and meter installation.

Possession of, or ability to obtain a valid Class A California driver's license within six (6) months of appointment date, and satisfactory driving record.

Possession of, or ability to obtain a Grade II Water Distribution certificate issued by the California State Water Resources Control Board within six (6) months of appointment date.
