

Career Opportunity

Field Operations Technician I

Mission Springs Water District is currently accepting applications for a Field Operations Technician I.

DEFINITION: Under close to general supervision, performs entry level unskilled and semi-skilled work in construction and maintenance, fleet and building maintenance, and meters; performs work on water production, distribution, and storage facilities; performs other duties as assigned.

QUALIFICATIONS: Any combination of education and/or experience which would likely provide the necessary knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be graduation from high school or equivalent preferably supplemented by specialized training in water construction and maintenance, or water technology; and one (1) year of experience in construction and maintenance, or a related field.

- Possession of a valid Class C California driver's license and satisfactory driving record.
- Possession of, or ability to obtain a valid Class A California driver's license and satisfactory driving record within six (6) months of appointment date.
- Possession of, or ability to obtain a Grade I Water Distribution certificate issued by the California State Water Resources Control Board within twelve (12) months of appointment date.
