

Career Opportunity

Field Service Representative I

Mission Springs Water District is currently accepting applications for a Field Service Representative I.

DEFINITION: Under close to general supervision, performs entry level unskilled and semi-skilled work in field customer service; tests, maintains, and reads water meters in an assigned area; turns water service on and off; assists with water conservation activities; performs a variety of other tasks associated with customer service both in the field and office; and performs other duties as assigned.

QUALIFICATIONS: Any combination of education and/or experience which would likely provide the necessary knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be graduation from high school or equivalent preferably supplemented by specialized training in water meter operation and maintenance, or water technology; and one (1) year of experience in customer service, and/or meter reading and meter replacement and installation work, or a related field.

Possession of a valid Class C driver's license and satisfactory driving record.
Possession of or ability to obtain a Grade I Water Distribution certificate.
