## Field Operations Technician I

---

Mission Springs Water District is currently accepting applications for a Field Operations Technician I to work in our Operations Department.

**DEFINITION:** Under close to general supervision, performs entry level unskilled and semi-skilled work in construction and maintenance, fleet and building maintenance, and meters; performs work on water production, distribution, and storage facilities; performs other duties as assigned.

**QUALIFICATIONS:** Any combination of education and/or experience which would likely provide the necessary knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be graduation from high school or equivalent preferably supplemented by specialized training in water construction and maintenance, or water technology; and one (1) year of experience in construction and maintenance, or a related field. Heavy equipment or underground construction experience a plus.

Possession of a valid Class C driver's license.

Possession or ability to obtain a Class A California driver's license.

Possession or ability to obtain a Grade I Water Distribution certificate issued by California SWRCB.
