

Career Opportunity

Field Operations Technician I/II

Having won the most medals of any of the municipal participants, including best in the World in 2020, we are very proud of our water and the measurements Mission Springs Water District has taken to provide, protect and preserve this natural resource. Be a part of our award-winning district by joining our talented Field Operations Team.

Under immediate (Field Operations Technician I) or general (Field Operations Technician II) supervision, performs skilled and semi-skilled work in construction and maintenance, fleet and building maintenance, and water meter maintenance; performs work on water production, distribution, and storage facilities; and performs related work as required.

QUALIFICATIONS: Any combination of education and/or experience which would likely provide the necessary knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be graduation from high school or equivalent preferably supplemented by specialized training in water construction and maintenance, or water technology; and one (1) year of experience in construction and maintenance, or a related field.

Possession of a valid Class "A" California driver's license and satisfactory driving record.

Possession of, or ability to obtain a Grade I (D-1) Water Distribution certificate within twelve (12) months of appointment date issued by the California State Water Resources Control Board (SWRCB) (for Field Operations Technician I).
or a Grade II (D-2) Water Distribution certificate issued by the SWRCB (for Field Operation Technician II).
