

## Career Opportunity

### Lead Collections System Operator

Having won the most medals of any of the municipal participants, including best in the World in 2020, we are very proud of our water and the measurements Mission Springs Water District has taken to provide, protect and preserve this natural resource. Be a part of our award-winning district by joining our talented Collections System department.

Under direction, leads, trains, oversees, and participates in the more complex and difficult work of a crew responsible for providing construction, maintenance, and repair of assigned District wastewater collection mains, lines, facilities, and storm drain systems; sets priorities and directs the work of assigned staff on a project or day-to-day basis; performs routine to complex maintenance and repair work in an assigned area; provides technical and specialized assistance to the assigned management and supervisory staff; and performs related work as required.

**QUALIFICATIONS:** Any combination of education and/or experience which would likely provide the necessary knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be graduation from high school or equivalent preferably supplemented by specialized training:

Education:

- Possession of a high school diploma or G.E.D. required.

Experience:

- Four (4) years of increasingly responsible experience in the construction, maintenance, and repair of wastewater collection and storm drain systems.

**Licenses and Certifications:**

- Possession of a valid Class “B” California Driver's License with proper endorsements, to be maintained throughout employment.
- Possession of a valid Grade III California Water Environment Association Collection System Maintenance certificate, to be maintained throughout employment.
- Possession of valid confined space certificates of training to be maintained throughout employment.
- Possession of a valid National Association of Sewer Service Companies Pipeline Assessment Certification Program (PACP) Certificate, to be maintained throughout employment.
