

# 2021 Water Quality Report and Spring Newsletter

News Release Date  
08-10-2021

Mission Springs Water District is committed to keeping you informed about the quality of your drinking water. This report is provided annually and includes information on where your drinking water comes from, the constituents found in your drinking water, and how the water quality compares with regulatory standards.

We are proud to report that during 2020, the drinking water provided by Mission Springs Water District met or surpassed all federal and state drinking water standards. We remain dedicated to providing you with a reliable supply of high-quality drinking water. Download a copy of our 2020 report below!
